

Mississippi Community College Board
Assessment FAQ

1. How do I gain access to the 999.Assessment Course on Canvas?

Your dean can request that an instructor be added to the Canvas course.

2. Where can I find information pertaining to the instructor qualification requirements?

Information regarding instructor training and certification requirements is available in the [Qualifications Manual](#).

3. Where can I find information regarding the credential initiative?

Information regarding the credentialing initiative is available in the [National Certifications Standards and Procedure Manual](#).

4. Are adjunct instructors required to attain the training and certification for their program of study?

Per the [Qualifications](#) and [National Certifications Manual](#), MCCB will cover training and certification costs for full-time instructors only.

5. When will a national certification be mapped to a program of study?

There are two processes for mapping a national certification to a program of study: during the curriculum revision process or outside the curriculum revision process. See pages 9-10 of the [Standards and Procedures Manual](#) for more information.

6. How many times may a student take a test?

MCCB will cover the cost of one test and re-test if there is no additional charge for the re-test. Please see the [Spring 2019 Certification Information-Cost](#) document.
