State Fiscal Stabilization Funds (SFSF)
CFDA #84.397 SFSF Government Services
CFDA #84.394 SFSF Education State Grant Recovery Act

Name of College: **JONES COUNTY JUNIOR COLLEGE**

**SECTION I.**
Provide a narrative describing how your college plans to use the ARRA State Fiscal Stabilization Funds (SFSF):

Narrative **must** include:
- **A description of the way your college intends to expend** ARRA-SFSF Government Services Funds and SFSF Education Funds (Multiple uses may be indicated - your college is not restricted to one use),
- **A reference to the projected number of jobs that will be saved or created** (http://www.whitehouse.gov/omb/assets/memoranda_fy2009/m09-21.pdf, p. 35-37), and
- **An estimated percentage of tuition increase mitigated** due to receipt of SFSF funds.

The college plans to use the ARRA funds to provide utilities to the campus. The costs of electricity, natural gas, and water have increased by $409,079 from $1,010,915 in FY 2003 to $1,419,994 in FY 2009, representing a 40% increase. During this same time, state appropriations only grew by $2.8M or 22%. Utilities were 2.9% of the total operating expenditures for FY 2003 and grew to 3.1% in FY 2009.

The increases in utilities are outpacing the increases in state revenue. Utilities are the most fundamental need of running an educational institution. In August/September 2005, the college closed its doors for two weeks due to Hurricane Katrina’s devastating effect on our campus, which left us without electricity.

Every dollar that is spent on utilities is a dollar that cannot be used for technology in the classroom, campus improvements, faculty salaries, or anything else directly related to serving students. The ARRA funding will allow the college to spend more state and local appropriations on these mission critical areas while the economy improves. The college has already begun making plans for FY 2012 when ARRA funding may not be available. Allowing Jones County Junior College to use ARRA funds to partially offset utility costs will help prevent us from sacrificing educational quality.
The college was forced to increase full-time tuition by $100 per semester beginning in the fall of 2010. Without the ARRA SFSF funds of $1,376,112, the college would have increased tuition by an additional $60-70 per semester in order to balance the FY 2011 budget.
