Name of College: Copiah Lincoln Community College

SECTION I.
Provide a narrative describing how your college plans to use the ARRA State Fiscal Stabilization Funds (SFSF):

Copiah Lincoln Community College will use the State Fiscal Stabilization Funds to mitigate the need to raise tuition and fees for In-State Students. During the 2009 Fiscal Year, Copiah Lincoln received almost $700,000 in cuts from the State of Mississippi.

The college absorbed these cuts by implementing a plan that:

- Froze all unfilled positions
- Reduced educational and general spending by $240,000
- Used capital improvement funds to purchase all equipment items
- Utilized $265,000 in student fee revenues (increased enrollment) to offset loss of state funds

In preparation of the budget for FY 2010, Copiah Lincoln wanted to continue to provide services at its current level. During a sluggish economy, we felt that our mission would be vital in assisting the unemployed with educational opportunities and workforce training programs.

In order to continue providing these services, we would have had to increase tuition by $200 annually ($100 per semester). This increase would have generated about $560,000 annually for the college.

When notified of the availability of ARRA Funds, the college was able to finalize a budget for the 2010 Fiscal Year without increasing student tuition/fees and maintaining all utility budgets at the FY 2009 Level.
