FOREWORD

As the first state to establish a system of public community colleges, the state has fifteen comprehensive community college districts which provide educational programs and services that are accessible to virtually all Mississippi citizens. This has been a goal of these two-year institutions since the first one began admitting students in 1922. All public community colleges are accredited by the Southern Association of Colleges and Schools and the Mississippi Commission on College Accreditation.

This network of institutions operates both university transfer and occupationally-oriented programs. A student may transfer earned credits to four-year institutions without loss of credit if the student has followed the recommended course of study. Studies reveal that community college transfer students perform as well or better than the native students at four-year institutions.

Community and junior colleges are the primary delivery mechanism for post-secondary occupational programs and workforce education in Mississippi. These programs of two-years or less duration are designed to prepare students for immediate employment and for upgrading skills of those currently employed. Training programs in more than one hundred occupational skills are provided by the schools. Community colleges also provide a variety of continuing education, community and public service activities. The institutions are funded by state appropriations, local district taxes, student fees and federal grants.

A characteristic of Mississippi’s community colleges is their flexibility to respond to needs of a given segment of the state’s society. This sensitivity is the result of an administration and a board of control operating at the local level. Each college district has a local governing board which employs the president and faculty, owns property, establishes budgets for operation and capital improvement, and sets policies for the general governance of the institution. Cooperation by the various institutions on state-wide endeavors is accomplished through the Mississippi Community and Junior College Association, a voluntary organization of the institutions represented by their presidents.

State coordination and oversight is provided by the State Board for Community and Junior Colleges, which on July 1, 1986, was named successor to the Junior College Commission. With regard to the system of community colleges, the State Board establishes standards for operation, administers state appropriations, approves vocational and technical programs and attendance centers, assembles reports, and provides general coordination.

### Note
- The table above provides a summary of county tax support for public community and junior colleges in Mississippi for the fiscal year 2006. It includes data on maintenance and capital improvements, as well as information on the population and revenue for each county. The data is organized by district and county, with columns for census, assessed valuation, reported and effective levy, and received amount for both maintenance and capital improvements. The total received amount is also shown for each county.

A mill equals $1 for every $1,000 of a property's assessed valuation.

- Indicates the counties in Coahoma's district established in Section 37-29-551 effective after July 1, 1995.
- Indicates a county that supports two districts.

**EFFECTIVE LEVY** = (Receipt/Assessment X 0.93 Collection Factor)

**REASON FOR EXCEEDING MAXIMUM MILLIAGE AS SPECIFIED IN SECTION 37-29-141:**

- **COPIAH-LINCOLN** - Capital Improvement funds provided by Adams and Simpson counties are used to pay off bonds used for building projects.
- **EAST CENTRAL** - E&I at East Central CC includes a Special Tax Levy for a Girls' Dorm Building Fund from Leake Co. of $55,000 or 0.65 mills, Neshoba of $73,996 or 0.6 mills, Newton of $84,871 or 0.6 mills, Scott of $81,892.
- **EAST MISSISSIPPI** - Lauderdale County is providing a special levy of $50,000 for construction to EMCC.
- **ITAWAMBA** - Maintenance at Itawamba CC includes extra millage per Section 37-35-3 for the establishment and maintenance of adult education classes in the amount of 0.20 or $20,317 and $28,780 from Itawamba and Pontotoc, respectively, 0.07 or $51,500 from Lee and 0.12 or $32,613 from Monroe counties. Under E&I, Itawamba Co. has added 1.0 extra mill or $104,599 and Lee Co. 0.20 mills or $202,573, per Section 37-39-329 for debt service.
- **MERIDIAN** - Maintenance at Meridian CC includes extra millage per Section 37-35-3 for the establishment and maintenance of adult education classes in the amount of 1.0 mill or $260,740.
- **MISS. GULF COAST** - Section 37-29-437 allows MGCCC additional millage; George Co. levied $50,000 for a GC Lineman Facility (E&I).
- **NORTHWEST** - Northwest MS CC received a levy of 1.35 or $462,924 for debt service from Lafayette Co.
