SECTION 1 - MISSISSIPPI COMMISSION ON PROPRIETARY SCHOOL & COLLEGE REGISTRATION: PURPOSE, ORGANIZATION AND POWERS

1.1 COMMISSION PURPOSE

The Commission on Proprietary School and College Registration is responsible for the administration of the Mississippi Proprietary School and College Registration Law, Title 75, Chapter 60, Mississippi Code of 1972, as amended. The purpose of the Commission is to establish and implement the process for obtaining and maintaining certificates of registration and agent permits for schools offering vocational training for a fee. This administration is enacted via licensure.

1.2 COMMISSION MEMBERSHIP

The Commission on Proprietary School and College Registration is composed of five (5) members appointed by the Mississippi Community College Board. One (1) member is appointed from each of the five (5) Mississippi Congressional districts as existed at the establishment of the commission. All commission members have held teaching, managerial, or similar positions with the public, private, trade, technical, or other institutions. Additionally, one (1) member shall be actively engaged in some capacity or retired from a privately owned trade, technical, or other institution. Initial terms of service on the commission are for three (3) to five (5) years as provided by the enabling legislation; subsequent terms are for five (5) years.

1.3 COMMISSION STAFF

The Mississippi Community College Board appoints such staff as is required for the performance of the commission's duties and provides necessary facilities for the commission's operation. The administrator for the commission is the Director for Proprietary School and College Registration (henceforth "the Director.") The Director is located at:

Mississippi Community College Board
Commission on Proprietary School and College Registration
3825 Ridgewood Road, Sixth Floor
Jackson, MS 39211
Telephone: (601) 432-6518

1.4 POWERS AND DUTIES OF THE COMMISSION

- A. To adopt rules and regulations for implementing institution and agent registration processes [Mississippi Code 1972, as amended §75-60-4(3).]
- B. To develop application forms for collecting data pertinent to the institution and agent registration processes [Mississippi Code 1972, as amended §75-60-4(3).]

- C. To interpret which courses and institutions are exempt from registering with the commission [Mississippi Code 1972, as amended §75-60-5.]
- D. To issue certificates of registration for qualifying institutions [Mississippi Code 1972, as amended §75-60-11.]
- E. To assign registration numbers to registered institutions [Mississippi Code, 1972 as amended [Mississippi Code 1972, as amended §75-60-11.]
- F. To suspend, revoke or cancel certificates of registration for cause in accordance with Mississippi Code 1972, as amended §75-60-19.
- G. To prescribe the conditions of the surety bond requirement for registered institutions in accordance with Mississippi Code 1972, as amended §75-60-17.
- H. To petition for injunctive relief in instances of advertising or other activity by unapproved institutions [Mississippi Code 1972, as amended §75-60-21.]
- I. To issue Agent Permits to qualifying applicants [Mississippi Code 1972, as amended §75-60-23]
- J. To assign Agent Permit numbers to registered agents [Mississippi Code 1972, as amended §75-60-25.]
- K. To suspend, revoke or cancel agent permits for cause in accordance with Mississippi Code 1972, as amended §75-60-33.
- L. To prescribe the conditions of the surety bond requirement for agents in accordance with Mississippi Code 1972, as amended §75-60-29.
- M. To approve all new programs of study and individual courses offered by registered institutions [Mississippi Code 1972, as amended §75-60-15(4).]
- N. To investigate complaints made against registered institutions in accordance with Mississippi Code 1972, as amended §75-60-19.
- O. To investigate complaints made against registered agents in accordance with Mississippi Code 1972, as amended §75-60-33.
- P. To maintain a written record of all complaints.
- Q. When necessary, to conduct hearings to determine if violations of Mississippi Code 1972, as amended, §75-60-19, have been committed by registered institutions or agents.
- R. To appoint a duly authorized officer to preside over all hearings involving registration controversies [Mississippi Code, 1972 as amended §75-60-4(2).]
- S. To act through a hearing officer to issue subpoenas in accordance with Mississippi Code 1972, as amended §75-60-19(4).

- T. To impose civil penalties and administrative sanctions in accordance with Mississippi Code 1972, as amended §75-60-19(6), for any violations prescribed in §75-60-19.
- U. To collect approved fees necessary for the administration of the commission [Mississippi Code 1972, as amended §75-60-4(3).]

2.12 REPLACEMENT CERTIFICATES OF REGISTRATION AND AGENT PERMITS

If for any reason, a Certificate of Registration or Agent Permit must be replaced, the institution owner or agent must submit an appropriate affidavit form (*Certificate of Registration Affidavit Form* or *Agent's Permit Affidavit Form*) and replacement fee to the Commission on Proprietary School and College Registration. The fee for a duplicate Certificate of Registration or a duplicate Agent Permit is stipulated in the current Schedule of Fees (Appendix A).

2.13 DISCLOSURE OF INFORMATION

Any commission member who may obtain pecuniary benefit from action on any application either for himself/herself, a relative, or for any business for which he/she is associated shall inform the Director in writing of his/her affiliation with the applicant or application.

The Director shall provide the commission a docket of all applications to be considered for action by the commission, along with the meeting notices.

2.14 COMMISSION MEMBER PARTICIPATION

Upon request of the commission and to the extent permitted by law, commission members shall be allowed to present information to the commission as a representative of an institution for which a pecuniary benefit is associated. However, the commission member shall recuse himself/herself from commission deliberations regarding such application.

2.15 APPLICATION REVIEW

- A. **The commission will only consider complete applications.** Applicants who submit incomplete applications will be notified and allowed fourteen (14) calendar days to submit the required information. If this information is not received within the fourteen (14) days, denial or postponement of the application will be recommended to the commission at the next commission meeting.
- B. The information provided in all sections of any application must be deemed sufficient and appropriate prior to application approval. If any section of any application is deemed insufficient or inappropriate, the applicant will be notified of the deficiency, and the commission may request additional information from the said applicant. Applications will be reviewed based on statutory and regulatory requirements. After the review of an application, the commission will be informed of any significant findings.
- C. Applications for Certificates of Registration must contain sufficient financial information to allow determination of financial stability.
 - a. Financial resources and practices must be such that:
 - i. There is a reasonable expectation of sound financial practices.
 - ii. There is evidence presented to suggest that the potential exists for the business to be successful.
 - iii. There is reasonable expectation that the business will continue to exist.
 - iv. There is evidence that sufficient planning has been conducted to provide for the necessary financial obligations required to assume the essential costs associated with operating the business.

- b. The following indicators of financial stability will also be examined:
 - i. The Current Ratio
 - ii. Past due liabilities
 - iii. Working capital
 - iv. Stockholder equity or net worth
- D. The institution will adhere to generally accepted accounting principles (GAAP) in the maintenance of its financial records and provides an income/expense statement and a balance sheet annually using the financial form provided by CPSCR.
 - a. Institutions reporting gross tuition between \$500,000 and \$1,000,000 are required to submit a Certified Public Accountant (CPA) financial review of the most recently completed fiscal year.
 - b. Institutions reporting gross tuition over \$1,000,000 are required to submit a CPA-prepared independent financial audit of the most recently completed fiscal year.
 - i. All accredited Title IV institutions must submit CPA-prepared independent financial audits for the previous two-years of operation.
- E. A non-accredited institution seeking initial authorization:
 - a. Must have unrestricted cash on hand in the amount of 120 days projected expenses available and:
 - b. Provide a projected income/expense statement and a balance sheet for two 12-month fiscal years using the financial form provided by CPSCR.
- F. Instructional resources must be adequate and available for individual student use.
- G. Any registered institution wishing to offer occupational associate degree programs must provide proof of current unencumbered accreditation by an accrediting agency recognized/authorized by the United States Department of Education.
- H. Initial and Renewal Applications include the submission of up to five new programs. Institutions adding additional programs will have to add the applicable fees according to the published *Schedule of Fees* (Appendix A).

2.16 ON-LINE/OUT-OF-STATE DISTANCE EDUCATION REQUIREMENTS (34 CFR 600.9)

In compliance with 34 CFR 600.9(c), any institution not based in the State of Mississippi, whether or not it offers instruction to residents of Mississippi only over the Internet, is determined to need a Certificate of Registration issued by the commission to offer postsecondary instruction in the State if they engage in at least one of the following activities:

- A. The institution maintains a telephone number with a Mississippi area code;
- B. The institution maintains a postal address with a Mississippi zip code;
- C. The institution directly markets and/or recruits Mississippi students via any means of media;
- D. The institution maintains an Internet URL which originates in Mississippi or utilizes an ISP which is based in Mississippi; or

- E. The institution provides payment reportable for income tax purposed via either a W-2 or Form 1099 to any individual resident of the State for any purpose associated with the institution's Mississippi students.

2.17 INSTATE ON-LINE/DISTANCE EDUCATION REQUIREMENTS

The Commission on Proprietary Schools and College registration adopts the definition of distance education and correspondence education by the United States Department of Education (USDE) as authorized by the Higher Education Act of 2008.

A. Definitions

- a. Distance education is education that uses one or more of the following technologies in providing educational content to students:
 - i. The Internet; or
 - ii. One-way/two-way transmissions through open broadcast, cable microwave, broadband lines, fiber optics, satellite or wireless communication devices, audio conferencing; or
 - iii. Video cassettes, DVDs, CD-ROMs, or other media used in conjunction with any of the above technologies.
- b. Correspondence education is:
 - i. Education provided through the mail or electronic transmission where interaction is limited between the student and instructor.
 - ii. Correspondence courses are typically self-paced.

Institutions based in the State of Mississippi that offer instruction over the internet, either synchronous or asynchronous, is determined to need a Certificate of Registration issued by the Commission to offer postsecondary instruction in the State if they engage in at least one of the following activities:

- a. The institution uses a Learning Management System to deliver educational content and grades, or
- b. The institution offers a minimum of 80% of its educational content online via the internet.

B. Student Verification

Institutions offering distance education shall have a process in place that establishes that the student who registers in a distance education program/course is the same student participating in and completing the course/program and receiving academic credit. The school meets the requirement if:

- a. Student uses a secure login and passcode; or
- b. School schedules proctored exams; or
- c. School uses new technologies and practices that verify the student's identity during testing.

SECTION 3 - REGULATIONS AND PROCEDURES FOR REGISTRATION OF PROPRIETARY SCHOOLS AND COLLEGES

3.1 INTRODUCTION

In 1992, Mississippi Senate Bill 2636 transferred the administration of Proprietary School and College Registration from the State Department of Education to the Commission on Proprietary School and College Registration under the Mississippi Community College Board. The Commission on Proprietary School and College Registration established these regulations to implement Title 75, Chapter 60 of the Mississippi Code of 1972, as amended.

The purpose of the Mississippi Proprietary School and College Registration Law and associated regulations is to allow proprietary institutions that have adequate facilities, resources, and faculty, the opportunity to obtain a Certificate of Registration. The law and regulations are further designed to ensure that students are provided learning experiences that are conducive to the achievement of the objectives of the programs being provided to them in exchange for their enrollment fees.

3.2 PROCEDURE FOR OBTAINING APPLICATIONS

Registration information may be obtained by sending a written request, along with a check or money order for the amount specified in the current Schedule of Fees, made out to “Commission on Proprietary School and College Registration” to:

Commission on Proprietary School and College Registration
3825 Ridgewood Road, Sixth Floor
Jackson, Mississippi 39211

On receipt of the written request and application fee, information for registration will be sent to the applicant.

3.3 ISSUANCE OF CERTIFICATES OF REGISTRATION

- A. A *Certificate of Registration* shall be granted or denied within sixty (60) days after receipt of the completed application by the Commission on Proprietary School and College Registration. If a *Certificate of Registration* cannot be issued within the 60-day period and the institution has submitted all the required information, the commission may issue a *Temporary Certificate of Registration*. This temporary certificate will be valid until the commission makes its determination.
- B. A *Certificate of Registration* is valid only for the institution and courses for which it is issued. A *Certificate of Registration* does not include additional institutions or additional locations of the same institution unless the commission

has approved annex or franchise locations on the initial or the renewal certificate of registration.

- C. The commission may deny, suspend, revoke, or cancel a *Certificate of Registration* for any one cause, or a combination of the causes, specified in Section 75-60-19, Mississippi Code of 1972, as amended. In the event that the commission has cause to deny, suspend, revoke, or cancel a Certificate of Registration, the procedure outlined in Section 75-60-19 will be followed.

3.4 ISSUANCE OF AGENT PERMITS

- A. Prior to any individual selling a course of instruction on behalf of an institution or soliciting students to enroll in the course of instruction at a registered institution, such individual must secure an *Agent Permit Application* from the commission.
- B. Complete applications for an *Agent Permit* will be approved or denied within sixty (60) days of receipt by the commission.
- C. A certificate will be issued upon approval of an *Agent Permit*. This certificate will state the agent's name, permit number, and the name and campus location of the employing institution and will certify that the person whose name appears on the certificate is an authorized agent of the institution.
- D. If an agent represents more than one school or campus, they must obtain a separate permit for each represented.
- E. *Agent Permits* are valid for one (1) year from the date of issue.

3.5 EXEMPTIONS TO REQUIREMENTS FOR A CERTIFICATE OF REGISTRATION

- A. Section 75-60-5, Mississippi Code of 1972, as amended, provides for some exemptions from registration with the commission. Accordingly, the following categories of courses, schools, and colleges are not required to register with the Commission on Proprietary School and College Registration:
 - a. Tuition-free courses or schools conducted by employers exclusively for their own employees;
 - b. Institutions under the jurisdiction of the Board of Trustees of State Institutions of Higher Learning or the Mississippi Community College Board;
 - c. Institutions or courses of instruction under the jurisdiction of the State Board of Cosmetology, State Board of Barber Examiners, State Board of Massage Therapy, or the Mississippi Board of Nursing;

- d. Courses of instruction required by law to be approved or licensed, or given by institutions approved or licensed, by a state board or agency other than the Commission on Proprietary School and College Registration; however, an institution so approved or licensed *may* apply to the Commission on Proprietary School and College Registration for a Certificate of Registration to be issued in accordance with the provisions of this chapter;
 - e. Correspondence education courses;
 - f. Nonprofit private institutions offering academic credits at primary or secondary levels or conducting classes for exceptional education as defined by regulations of the State Department of Education;
 - g. Nonprofit private colleges and universities or any private institution offering academic credits at primary, secondary, or postsecondary levels;
 - h. Courses of instruction conducted by a public school district or a combination of public school districts;
 - i. Courses of instruction conducted outside the United States;
 - j. Any institution that offers only instruction in subjects that the Commission on Proprietary School and College Registration determines are primarily for avocational, personal improvement or cultural purposes and that does not represent to the public that its course of study or instruction will or may produce income for those who take that course of study or instruction;
 - k. Courses conducted primarily on an individual tutorial basis, where not more than one (1) student is involved at any one (1) time, except in those instances where the Commission on Proprietary School and College Registration determines that the course is for the purpose of preparing for a vocational objective;
 - l. Kindergartens or similar programs for preschool-age children.
- B. To request a determination of exemption, institutions shall submit an electronic Exemption Application along with a descriptive narrative explaining how the institution or program qualifies for an exemption.
- a. The application shall require a citation to the exemption provision relied on in the Act and these rules and documentation supporting the requested exemption:
 - i. Examples include copies of all institutional materials; brochures; advertising; state charter or business license; or organizational ties and/or contracts with other educational providers.

- b. The institutions shall inform the Commission immediately of any proposed changes within the institution or institutional offerings that may affect the exemption.
- c. The Commission may suspend or withdraw the exemption for an institution that fails to maintain the conditions under which the exemption was approved, engages in false advertising, or allows misleading representations to be made on its behalf.
- d. Institutions approved for exemption from registration are subject to periodic review by the Commission staff to ensure that all criteria for the exemption continue to be met.
- e. Exemptions must be renewed every 12 months from time of approval.
- f. An application fee (CPSCR Form 15 – Fee Schedule Form) in the amount specified in the current published Schedule of Fees (Appendix A).

3.6 ADDITIONAL LOCATIONS COVERED UNDER A CERTIFICATE OF REGISTRATION: ANNEXES

A *Certificate of Registration* is valid only for the institution and courses for which it is issued. The *Certificate of Registration* is not valid for additional locations of an institution unless the commission has approved such locations as Annexes on the current *Certificate of Registration*.

- A. An annex may be included under an existing *Certificate of Registration* if:
 - a. Courses and programs offered at the annex are identical to those offered at the registered institution location; and
 - b. The annex is under the same ownership, management, and control as the registered location.
- B. If the registration of an annex is sought at the same time as the application for registration (initial or renewal) of the main campus, then approval of the annex may be sought on the application for a *Certificate of Registration* of the main campus.
- C. If an application for registration of an annex does not coincide with initial registration or renewal of registration of the main campus, then a separate *Application for Registration of an Annex Location* must be submitted, along with all appropriate fees as stipulated on the current *Schedule of Fees* (Appendix A).
- D. Gross annual tuition revenues for a registered location and each associated annex must be combined for the purpose of determining fees payable. Tuition for each location must be reported individually on *Gross Tuition Income*.

- e. Maintaining all premises, equipment, and facilities of the institution inadequate, safe, and sanitary conditions.
- f. Agreeing to make accessible to commission staff, enrollees to be interviewed for the purpose of verifying compliance with the conditions as stated on the application for a Certificate of Registration.
- G. Annexes are subject to announced and unannounced visitation by representatives of the commission and the Mississippi Community College Board.
- H. Annexes must have the same name as the associated registered location, distinguishable by individual site location.
- I. All policies, procedures, tuition, fees, catalogs, and academic calendars utilized at the registered location must also be utilized at the annex.
- J. If a *Certificate of Registration* is suspended, revoked, or canceled by the commission, the registered institution and all annexes included under that *Certificate of Registration* must cease to operate unless specifically granted written approval by the commission to remain in operation.
- K. The approved annex will be a permanent additional location of the registered institution. This facility must always be identified as an annex on each *Renewal Certificate of Registration Form*.

3.7 MANDATORY REFUND POLICY

Each institution is required to take and keep a record of student attendance for each individual course meeting.

When refunds are due, they shall be made within thirty (30) days of the last day of attendance if the student has provided the institution with written notification of withdrawal. All refunds shall be made without requiring a request from the student within thirty (30) days from the date that the institution terminates the student or determines withdrawal by the student based on the last day of attendance. In any event, all refunds shall be made within sixty (60) days of the student's last day of attendance. Any unused portion of fees and other institutional charges shall be refunded as follows:

3.7.1 Refunds for Classes Cancelled by the Institution

If tuition and fees are collected in advance of the starting date of a program, and the institution cancels the class, one hundred percent (100%) of the tuition and fees collected shall be refunded. The refund shall be made within thirty (30) days of the planned starting date.

3.7.2 Refunds for Students Who Withdraw on or Before First Day of Class

If tuition-processing fees are collected in advance of the starting date of classes and the student does not begin classes or withdraws on the first day of classes, no more than One Hundred Dollars (\$100.00) of the tuition and processing fees may be retained by the institution. The refund shall be made within thirty (30) days of the class starting date.

3.7.3 Refunds for Students Who Enrolled Prior to Institution Visit

Students who have not visited the institution prior to enrollment will have the opportunity to withdraw without penalties within three (3) days following a documented attendance at a regularly scheduled orientation or a documented tour of the facilities and inspection of the equipment. Institutions are required to keep records of students' initial visits and orientation sessions.

3.7.4 Refunds for Students Who Withdraw After Instruction Begins

Contractual obligations beyond twelve (12) months are prohibited. The refund policy for students attending proprietary institutions who incur financial obligations for a period of twelve (12) months or less shall be as follows:

- A. After the first day of classes and during the first ten percent (10%) of the period of financial obligation, the institution shall refund at least ninety percent (90%) of the tuition;

- B. After the first ten percent (10%) of the period of financial obligation and until the end of the first twenty-five percent (25%) of the period of obligation, the institution shall refund at least fifty percent (50%) of the tuition;
- C. After the first twenty-five percent (25%) of the period of financial obligation and until the end of the first fifty percent (50%) of the period of obligation, the institution shall refund at least twenty-five percent (25%) of the tuition; and
- D. After the first fifty percent (50%) of the period of financial obligation, the institution may retain one hundred percent (100%) of the tuition.

3.8 DISCLOSURE OF INFORMATION TO STUDENTS

Prospective students are entitled to sufficient data as to allow them to make informed decisions regarding training opportunities and institutions.  - K. The commission may initiate an investigation without registration of a complaint.
 - L. The presences of an arbitration clause in the student's enrollment contract, does not negate the student's right to file a complaint with the commission.

3.21 HEARING PROCEDURE

Upon a finding by the commission that there is good cause to believe that a registered institution, or an officer, agent, employee, partner or instructor, has committed a violation of section 75-60-19, Mississippi Code of 1972, as amended, the commission shall initiate proceedings as outlined below:

- A. The commission shall initiate proceedings by serving a notice of hearing upon each and every such party subject to the administrative action. The institution or such party shall be given reasonable notice of the hearing, including the time, place and nature of the hearing and a statement sufficiently particular to give notice of the transactions or occurrences intended to be proved, the material elements of each cause of action and the civil penalties and administrative sanctions sought.
- B. Opportunity shall be afforded to the party to respond and present evidence and argument on the issues involved in hearing including the right of cross-examination. In a hearing, the institution or such party shall be accorded the right to have its representative appear in person or with counsel or other representative. Disposition may be made in any hearing by stipulation, agreed settlement, consent order, default or other informal method.
- C. The commission shall designate an impartial hearing officer to conduct the hearing, who shall be empowered to:
 - a. Administer oaths and affirmations; and
 - b. Regulate the course of the hearings, set the time and place for continued hearings, and fix the time for filing of briefs and other documents; and
 - c. Direct the institution or such party to appear and confer to consider the simplification of the issues by consent; and
 - d. Grant a request for an adjournment of the hearing only upon good cause shown.

The strict legal rules of evidence shall not apply, but the decision shall be supported by substantial evidence in the record.

The commission, acting by and through its hearing officer, is authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers at such hearing. Process issued by the commission shall extend to all parts of the state and shall be served by any person designated by the commission for such service. Where, in any proceeding before the hearing officer, any witness fails or refuses to attend upon a subpoena issued by the commission, refuses to testify, or refuses to produce any books and papers the production of which is called for by a subpoena, the attendance of such witness, the giving of his testimony or the production of the books and papers shall be enforced by any court of competent jurisdiction

of this state in the manner provided for the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

3.22 DECISION AFTER A HEARING

- A. The hearing officer shall make written findings of fact and conclusions of law, and shall also recommend in writing to the commission a final decision, including penalties.
- B. The hearing officer shall mail a copy of his findings of fact, conclusions of law and recommended penalty to the party and his attorney, or representative.
- C. The commission shall make the final decision, which shall be based exclusively on evidence and other materials introduced at the hearing.
- D. If it is determined that a party has committed a violation, the commission shall send by certified mail, return receipt requested, a copy of the final order to the party and the party's attorney, or representative. The commission shall, at the request of the named institution or complainant, furnish a copy of the transcript of the hearing, or any part thereof, upon payment of the cost thereof.

3.23 CIVIL PENALTIES AND ADMINISTRATIVE SANCTIONS

- A. A hearing officer may recommend, and the commission may impose, a civil penalty not to exceed Two Thousand Five Hundred Dollars (\$2,500) for any violation of this section. In the case of a second or further violation committed within the previous five (5) years, the liability shall be a civil penalty not to exceed Five Thousand Dollars (\$5,000) for each violation.

Interaction between the instructor and the student is limited, is not regular and substantive, and is primarily initiated by the student; courses are typically self-paced. Correspondence education is not distance education as defined in this glossary.
Course	The offering of instruction to individuals for a charge, fee or contribution of any kind, to a person or persons for the purpose of training or preparing such person(s) for a field of endeavor in a business, trade, technical or industrial occupation.
Distance education	Means a formal educational process in which the instruction in a course occurs when students and instructors are not in the same place. Instruction may be asynchronous or synchronous. Distance education uses the technologies set forth in this paragraph to deliver instructions to students and to support regular, substantive interaction between students and instructors. A distance education course instructor may use any of, but not limited to, the following technologies: the Internet; one-way and two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite or wireless communications devices; audio conferencing; or video cassettes, DVDs and CD-ROMs if used as part of the distance-learning course or program.
Enrollment Contract/Agreement	The enrollment agreement is the contract signed between the student and the institution. The agreement specifies the conditions under which the school will provide instruction to the student. It also specifies all costs a student must pay in order to enroll in a specific school program. The student and an authorized agent of the school must date and sign the agreement prior to the time instruction begins.
First year after initial registration	Twelve (12) calendar months immediately following the effective date of issuance of an initial Certificate of Registration.
General Education courses	Means a unit of learning that is non-technical in nature and is a fundamental part of a program. The content is drawn from oral and written communications, social studies, mathematics, natural sciences, and the humanities.
Graduate	Any student (full-time or part-time) who upon completion of a program of study receives a certificate, license, or diploma from a proprietary institution licensed by the commission.

Gross Annual Tuition	Means the tuition income (minus tuition refunds) received by a registered school and its annexes in approved programs as computed over a consecutive 12-month period. Fees for GAT, as defined in Appendix A, are paid at the end of each fiscal year as defined by CPSCR.
Proprietary Institution	A "proprietary school" or "school" is any private, for-profit or nonprofit business enterprise that maintains a place of business in this state or seeks business there, is not expressly exempt by MS Code Section 75-60-5, and provides a course or courses of instruction that prepare the individual or individuals in question for employment in a trade, business, technical, or industrial capacity or study through classroom instruction, telecommunications or electronic media technology, or any combination of these for a fee.
Institution Chief Operating Officer	Person responsible for the daily operations of an institution. Interchangeable with Institution Director.
Institution Director	Person responsible for the daily operations of an institution. Interchangeable with Institution Chief Operating Officer.
Institution owner	If the institution is owned by an individual, that individual; if the Institution is owned by a partnership, all partners; if the institution is owned by a corporation, the officers, and directors of the corporation.
Last day of student attendance	The date that a student gives written notice to the institution that he /she has withdrawn; or the date on which a student meets all of the following conditions: <ul style="list-style-type: none"> • The student has failed to attend classes for thirty (30) successive calendar days; and • The institution has notified the student, and that the student will be considered withdrawn if he/she does not notify the institution to the contrary within twelve (12) calendar days from the date on which the letter is mailed (postmarked); or • The student fails to respond within the twelve (12) day period.
Non-Technical Course	Means a unit of learning that is non-technical in nature and includes general education courses, basic/college life skills, or other related courses as determined by the Commission.
Normal time to completion	The published time period required for completion of a

	program of study.
Occupational Degree	Means a credential awarded by a school upon successful completion of an associate degree program and designated as “applied or occupational” in the credential title. This program shall contain a minimum of 60% technical course credits/clock hours. Associate degree programs designed primarily for immediate employment should be designated as an Associate in Applied Science degree, or other appropriate title, and identified with a specialty designation. This identification of a specialty or major implies relevant preparation for employment in a specific area of work and should be specified on the students’ document of completion.
Program of study	A series of individual courses in an area of specialization for which a diploma, degree, certificate or other written evidence of proficiency or achievement is offered/awarded.
Quarter	An instructional term of up to fourteen (14) weeks.

The catalog must avoid false or misleading statements. The catalog should provide sufficient detailed data to enable prospective students to clearly understand their opportunities, limitations, and obligations.

	Each student must be given a copy of this catalog upon enrollment. Students may be provided with a digital link to or copy of the catalog in lieu of a physically bound document. If only a digital copy/link is provided to the student, acknowledgment of receipt must be in the student's record.
Student Mastery	Students' successful completion of a nationally recognized examination or comprehensive exam for a program of study. Mastery is calculated by the completion of a grade of "C" or better.
Technical Course	Means a unit of learning which yields skills, knowledge and understanding essential to the specific occupation for which the program is designed.
Temporary Certificate of Registration	This status allows an institution to operate under provisional authorization. Terms of the operation will be assessed based on the reason for the issuance of the temporary certificate. Additional monitoring by CPSCR staff is required on all operations.
Term	The amount of instructional time covered by an enrollment period.
The Director	The Director of the Commission on Proprietary School and College Registration.
Voluntary Suspension	This status allows a school to maintain its approval, but they cannot enroll, advertise or provide instruction. The institution will pay the applicable fee for the "voluntary suspension" status, which allows them to go become active again without having to go through the entire approval status again. This may be renewed only twice and will be reviewed annually.
Working capital	Current assets less current liabilities; it is a measure of whether a company will have sufficient resources to meet short-term debts. Institutions for initial authorization must have unrestricted liquid funds available in at least the amount of 90 days of projected expenses.

Payments must be submitted in the form of a check or money order made out to "The Commission on Proprietary School and College Registration."

Send payments to:
